Welcome to Eitz Chayim - we are delighted that you have decided to join!

Membership at Congregation Eitz Chayim is about more than High Holy Days services and paying dues. Eitz Chayim is a participatory community in which every member gets involved in some way during the year. We ask each member to co-host a Kiddush at Friday evening services once a year and pitch in at one other community events or help out in some other ways. Getting involved provides opportunities for meeting other members and contributing to the spirit and wellbeing of the community. Please contact the office if there is a particular area you would like to help with.

Membership Donation

We welcome all to Eitz Chayim regardless of ability to pay. If the below suggested membership donations present a serious financial hardship, we offer a sliding scale option. We ask that you give as generously as you can with the understanding that all members will pay the suggested donation when they are able. As a guideline, although we understand that individual financial situations may vary, we encourage members paying on a sliding scale to contribute 2% of their gross income. There is a minimum donation of \$18 per person, adults and children in our school.

Membership includes High Holy Days tickets for adult members and their children under age 26; members also receive discounts on additional High Holy Days tickets.

Membership donations to Congregation Eitz Chayim are tax deductible charitable contributions.

Suggested membership donations:

Couple/Two-Adult Family	\$ 2,655
Individual/One-Adult Family	\$ 1,430
Full-Time Student	\$ 450

Membership donation: \$ _____
