"THE OTHER SIDE OF THE BED"

written in memory of his brother

Dr. Barry Mishkin ז"ל

"The Other Side of the Bed" chronicles Daniel's experience at his brother Barry's bedside and the lessons he learned there. The book is essential reading for caretakers seeking support and solace from someone who has truly been there. From giving a difficult diagnosis to confronting institutional hierarchy to facing death with dignity, Daniel's story offers insight into the human relationships at the heart of medicine.
