# HELP EXTINGUISH TERROR KITES

Communities bordering Gaza are under attack. Kites and helium balloons outfitted with flammable materials are being sent from Gaza with the goal of igniting fires.

Over 280 fires have been ignited by terror kites, destroying over 25,000 dunam (6,200 acres), or a third of all land adjacent to Gaza. Damage to crops is estimated in the millions of dollars.

Firefighters are having difficulty keeping up with the frequency of the fires being set, and cannot reach every fire before it spreads.

With the support of Federation CJA, a project has been undertaken to provide the necessary firefighting equipment for farmers and citizens to respond quickly and prevent newly lit fires from spreading before the arrival of overburdened firetrucks .

**Help extinguish the flames of terror kites!**

**Visit [Facebook.com/TerrorKites](https://www.facebook.com/TerrorKites) for updates and to donate**

or send your donation to Federation CJA, to the attention of Natou Suissa and the 'Terror Kite Emergency Fund'
