TBDJ welcomes Scholar In Residence

Rabbi Shalom Hammer

Rabbi Shalom Hammer is a senior lecturer for the Jewish Identity Branch of the IDF, a contributing editor for the Jerusalem Post and founder and director of Makom Meshutaf, an organization which advocates tolerance and unity between religious and secular Jews in Israel through educational programs.

1:00-2:00pm : *The Churban HaBayit: A Failure of Jewish Leadership*

Jewish leaders must learn to focus on cause and community and disregard self-promotion. The inability to do so resulted in the destruction of the Beit Hamikdash and can cause dire consequences to the Jewish future as well.

2:45-3:45pm : *The tragic story of Kamtza and Bar Kamtza*

What really happened and why is it so pertinent to us today?

7:00-8:00pm : *Israel's struggle for survival and Vision of Continuity*

Amongst all the turmoil and hardship, the vision that allows Israel to maintain positive perspectives, envision a dream and perpetuate the future of the Jewish nation.

8:30-9:00pm : *Jewish Heroism: Mind with Matter*

The Torah demonstrates that the formula for Jewish success in the world requires a combination of physicality and spirituality.

HELP EXTINGUISH THE FLAMES OF TERROR

Communities bordering Gaza are under attack. Kites and helium balloons outfitted with flammable materials are being sent from Gaza with the goal of igniting fires.

Significant damage has been caused to farms and valuable crops, and vast portions of nature reserves along with their wildlife have been destroyed. Hundreds of fires have been ignited, destroying over 30,000 acres. Damage to crops is estimated in the millions of dollars.

Firefighters are having difficulty keeping up with the frequency of the fires being set, and cannot reach every fire before it spreads.

With the support of Federation CJA, a project is underway to provide firefighting equipment that allows for quick response to these fires, preventing them and their damage from spreading.

Needs include 750-liter fire-fighting trailer units that attach to tractors and allow farmers to reach fires in their fields. Each unit costs \$11,000. Firefighting suits are also required for these farmers who go out to battle the flames. Each suit costs \$1400.

Our community will partner with the communities of Israel's south and help them extinguish the flames of these terror kites, and preserve their crops, farms, houses, parks, and way of life.

Visit [Facebook.com/TerrorKites](https://www.facebook.com/TerrorKites) for updates and to donate

Donations can be made through Federation CJA at www.federationcja.org/en/fire-kites-Israel-emergency-fund

Full tax receipts will be issued
