The Kaddish Circle

The "Kaddish Circle" is designed for people who are within their year of mourning the loss of a loved one. This group meets once a month with Rabbi Freundlich to study a short but relevant Torah teaching about mourning and grieving, and to allow people to share their experience in a constructive, meaningful and comforting way.

Please email rabbifreundlich@tbdj.org with any questions or to discuss the program.

OUR NEXT MEETING WILL TAKE PLACE ON
SUNDAY, OCTOBER 14TH AT 10:00AM

The Great Jewish Books Course

In memory of Dr. Mark Wainberg ז"ל

Explore the Lasting Impact of Monumental Jewish Works

This course will survey 20 of the most influential Rabbis and their Works that have shaped the Jewish world as we know it. Starting with "Teacher of all of Israel" - Rashi, and continuing through Modern Times, each individual class will focus on excerpts of major themes, biographical sketches and historical context of the books and authors that have forged the link between the Torah itself and our lives today.

Every session will be accompanied by a handout that includes a class outline, selections from that week's Book, and other relevant charts. Binders will be available for purchase.

Classes will involve studying traditional texts (available in Hebrew and English), the investigation of key themes and the presentation of avenues for further study.

**The Great Jewish Books Course will take place at TBDJ
on Monday nights from 7:45pm to 9:00pm. Maariv will follow.**

Dr. Mark Wainberg was a beloved figure at TBDJ, in the Montreal Jewish Community, and worldwide. A well educated and learned man whose thirst for knowledge could not be quenched, Mark left a lasting impact on our community and helped shape the world in its entirety. His greatest source of pride was his family, and it is a fitting tribute therefore that his family has dedicated the learning in this course to his memory.

RABIN IN HIS WORDS

Israel, 2016
Hebrew with English subtitles, 100 minutes

Rabin In His Own Words is an "autobiography" of sorts, the story is told entirely in Rabin's own voice. Through a combination of rare archival footage, home movies and private letters, his personal and professional dramas unfold before the viewer's eyes - from his childhood as the son of a labor leader before the founding of the State of Israel, through a change of viewpoint that turned him from a farmer into an army man who stood at some of the most critical junctures in Israeli history, through his later years during which he served as Prime Minister and made moves that enraged a large portion of the public, until the horrific moment when his political career and life were suddenly brought to an end.

HEADING HOME: THE TALE OF TEAM ISRAEL

Israel, 2018
English, 91 minutes

A stirring story of sports, patriotism and personal growth, Heading Home charts the underdog journey of Israel's national baseball team competing for the first time in the World Baseball Classic. After years of defeat, Team Israel is finally ranked among the world's best in 2017, eligible to compete in the prestigious international tournament. Their line-up included several Jewish American Major League players- Ike Davis, Josh Zeid and ex-Braves catcher Ryan Lavanway- most with a tenuous relationship to Judaism, let alone having ever set foot in Israel. Their odyssey takes them from Tel Aviv and Jerusalem where they are greeted as heroes, to Seoul where they must debunk their has-been, wannabe reputations. With their Mensch on the Bench mascot by their side, the team laughs, cries, and does much soul-searching, discovering the pride of representing Israel on the world stage.

ONCE IN A LIFETIME

France, 2016
French with English subtitles, 105 minutes

A dedicated history teacher at a French high school, Anne Gueguen, is determined to give the best education she can to her underprivileged inner-city pupils. Overcoming their apathy, however, is proving to be more difficult than expected. Frustrated but undaunted, Anne tests her multicultural classroom with a unique assignment: a national competition on the theme of child victims of the Nazi concentration camps. The project is initially met with extreme resistance, until a face-to-face encounter with a Holocaust survivor changes the students' attitudes dramatically. Despite their long-shot odds of winning, these once-rebellious teens soon begin to see one another - and themselves - in a whole new light. Once In A Lifetime demonstrates the enduring impact of the Holocaust in transforming future generations.
