If there's a contemporary halachic question that needs to be answered in a clear, concise and practical manner, Rabbi Lebowitz has probably answered it. With over 7000 shiurim posted on YUTorah.org, he has become one of the most popular public speakers to address issues and challenges in contemporary Jewish life.

# The Great Jewish Books Course

In memory of Dr. Mark Wainberg ז"ל

*Explore the Lasting Impact of Monumental Jewish Works*

This course will survey 20 of the most influential Rabbis and their Works that have shaped the Jewish world as we know it. Starting with "Teacher of all of Israel" - Rashi, and continuing through Modern Times, each individual class will focus on excerpts of major themes, biographical sketches and historical context of the books and authors that have forged the link between the Torah itself and our lives today.

Every session will be accompanied by a handout that includes a class outline, selections from that week's Book, and other relevant charts. Binders will be available for purchase.

Classes will involve studying traditional texts (available in Hebrew and English), the investigation of key themes and the presentation of avenues for further study.

**All lectures of The Great Jewish Books Course will take place at TBDJ  
on Monday nights from 7:45pm to 9:00pm. Maariv will follow.**

At the conclusion of the series, on Shabbat April 6th, Rosh Chodesh Nisan,  
the Wainberg family will host a siyum to mark the 2nd yahrzeit of Dr. Mark Wainberg ז"ל

Dr. Mark Wainberg was a beloved figure at TBDJ, in the Montreal Jewish Community, and worldwide. A well educated and learned man whose thirst for knowledge could not be quenched, Mark left a lasting impact on our community and helped shape the world in its entirety. His greatest source of pride was his family, and it is a fitting tribute therefore that his family has dedicated the learning in this course to his memory.
