Together we stand proud among heroes of the field, giants with a steadfast commitment to upholding the Mitzvah of Shmitah. Join them side-by-side ascending above nature to support their sacrifice and share the abundant bracha.

Partner with a farmer and give above your nature.

בְּאִישׁ אֶחָד, בְּלֵב אֶחָד

One people. One heart. One mitzvah.

## Introducing a new program for the Year 5782, a year of Shmitah in Israel.

Congregation TBDJ is proud to partner with **Keren Hashviis**, an organization dedicated to furthering the understanding and observance of Shmitah in Israel.

- Contribute to a special Shmitah Fund, aimed at supporting individual farmers and communities during Shmitah.
- Explore the mitzvah of Shmitah through lectures, shiurim, and special sessions. *See opposite side for details.*
- Connect with the farmers of Israel observing Shmitah, to better understand their view of its blessings and challenges.

Visit <https://TBDJ.org/Shmitah> to participate in the Mitzvah of Shmitah!

**Do you own agricultural land in Israel? Have you ever observed the mitzvah of Shmitah?**

In all likelihood, the answer is no. Until now!

Our fundraising program will provide you with an opportunity to partner on a piece of agricultural land and the observance of Shmitah together with your farming partner in Israel.

You'll receive a special **shtar** (contract) that confirms your participation.
