The Era of Rabbi Leo Jung***

**By**

**Dr. Maxine Jacobson, Ph.D.**

This book presents the issues and challenges of Modern Orthodox Judaism in America from the 1920s to the 1960s and discusses the economic, social, and political influences that impacted on its development. This is the story of the renaissance of American Modern Orthodoxy, from the disorganization of the older Orthodoxy to the new spirit of confidence that emerged after World War Two.
