EVERY JEW DESERVES A KADDISH YOU CAN MAKE THAT POSSIBLE

There are, sadly, occasions when a burial takes place without the presence of a Minyan and therefore without Kaddish.

With the assistance of the Paperman family and volunteers like yourself, we can make sure that this no longer occurs.

Join the Bereavement Minyan Whatsapp group. Upon notification by Paperman that a minyan is required, it will be posted on the group where you can volunteer to attend.

To join the of list volunteers, send your name and cell phone number to MinyanService@gmail.com

An Important Message from Bar Mitzvah Joshua Hutman:

Dear Family & Friends,

In honour of becoming a Bar Mitzvah in June, I will be organizing a book drive for the Jewish General Hospital's Neonatal Intensive Care Unit (NICU).

I was born at 24 weeks and weighed 495 grams (slightly over 1lb). I was on a ventilator for 104 days and my mom held me for the very first time when I was almost 2 months old.

When babies are born prematurely, they are placed in incubators. Often babies need ventilators and they are connected with wires to many machines. This makes interacting with them impossible. Not being able to have this basic connection to their infants can make parents feel helpless and scared.

My goal is to start a reading program in the NICU and supply parents with new books which they can read to their babies even when they are too fragile to hold. Research has shown that reading to babies is good for language development. It also enables parents to bond with their babies. It gives parents a chance to do something "normal" when they are unable to care for their infants.

Please support my program by making an \$18* online donation towards an English or French children's book. <https://tinyurl.com/tinymiraclefund> (Type "Josh's Book Drive" in Special Message section) or call 514.340.8216.

My family and I look forward to making this program a success.

Love,
Joshua Hutman

Widowed at 65, Gershon thinks he may have found new love. And so has his daughter Ronnie – with her father's potential son-in-law! But a surprise visitor from their past may upset matters.

Based on the story *The Last Visitor* from Liebrecht's latest collection of stories, *On Love Stories and Other Endings*, *The Guest* is a wry and witty take on love and marriage by Savyon Liebrecht, one of Israel's sharpest observers of the state of inter-generational relationships.

Sponsored by Assaf Drori and Ziki Zaffir.
