The Israel Corner

We are excited to introduce, in partnership with the Kollel Torah Mitzion, a new program to connect TBDJ to everything Israel. Once a month, one of the members of KTM will present, in English, a 15-20 minute talk about various topics of interest regarding life in Israel. The group will meet in the main shul about 20 minutes after Kiddush starts. Our first session will begin next Shabbat and will be led by Neta Noiman on the topic: "A nurse's perspective on the Israeli emergency room."

High Holiday 40 for 40

We know. Davening on the High Holidays is long and difficult to understand. Here's the good news. This year, you are invited to join Rabbi and Rifki Freundlich for an informal interactive discussion aimed at infusing more meaning and significance into the High Holidays. It's Rosh Hashana and Yom Kippur in less than 40 minutes, for anyone under 40 years of age. We will meet on the first day of Rosh Hashana and on Yom Kippur (immediately following the mussaf kedusha) in the downstairs Youth room. Hope you'll join us!
