Introducing an exciting new learning opportunity at TBDJ

# SEMICHAT CHAVER PROGRAM

**Thursday Nights at 8:00pm  
Beginning November 21<sup>st</sup>  
with the topic of:**

**שהייה חזרה והטמנה  
REHEATING AND RETURNING FOOD  
TO A FIRE ON SHABBOS**

**What is the Semichat Chaver Program?**  
The Semichat Chaver Program is a new and innovative Halacha Study Initiative specifically designed for working professionals to be educational, engaging, and fun. Launched in 2017 to provide a structured and energetic learning experience, there are now dozens of participating groups in Chicago, Queens, Manhattan, Boca Raton, Woodmere, Boston, Chile, Toronto and Jerusalem.

**How does the program work?**  
A new shiur will be delivered every Thursday by Rabbi Freundlich. Each shiur begins with the ethical and philosophical meaning behind the halachot we'll cover. This is followed by a discussion of cutting edge contemporary questions illuminated by video presentations, which are then answered through the provided texts of the Gemarah, Rishonim, and modern day Poskim. At the completion of each topic, a written exam is administered, and those successfully completing it are granted a certificate of Semichat Chaver, signed by HaRav Shlomo Amar, former Sephardic Chief Rabbi of Israel, Harav Zalman Nechemia Goldberg, and HaRav Herschel Schechter of Yeshiva University.

**Who is Semichat Chaver for?**  
The program is geared to all intelligent people who want to grow in their learning, regardless of how and when you last learned seriously. Every topic will be covered from the ground up and assumes no prior knowledge.

Sponsored by Betty and Carl Laxer in Honour of Rabbi Freundlich
