This unprecedented documentary is based on interviews with six former leaders of Israel's highly secretive counterterrorism intelligence agency, Shin Bet, interviewed for the very first time. Dror Moreh's Oscar nominated work provides us with a gripping and thought-provoking account of Israel's security situation since the 1967 war, from Palestinian suicide bombings to the assassination of Israel's Prime Minister Yitzchak Rabin. with the topic of:**

**שהייה חזרה והטמנה
REHEATING AND RETURNING FOOD

**JOIN OVER

PARTICIPANTS!**

What is the Semichat Chaver Program?

The Semichat Chaver Program is a new and innovative Halacha Study Initiative specifically designed for working professionals to be educational, engaging, and fun. Launched in 2017 to provide a structured and energetic learning experience, there are now dozens of participating groups in Chicago, Queens, Manhattan, Boca Raton, Woodmere, Boston, Chile, Toronto and Jerusalem.

How does the program work?

A new shiur will be delivered every Thursday by Rabbi Freundlich. Each shiur begins with the ethical and philosophical meaning behind the halachot we'll cover. This is followed by a discussion of cutting edge contemporary questions illuminated by video presentations, which are then answered through the provided texts of the Gemarah, Rishonim, and modern day Poskim. At the completion of each topic, a written exam is administered, and those successfully completing it are granted a certificate of Semichat Chaver, signed by HaRav Shlomo Amar, former Sephardic Chief Rabbi of Israel, Harav Zalman Nechemia Goldberg, and HaRav Herschel Schechter of Yeshiva University.

Who is Semichat Chaver for?

The program is geared to all intelligent people who want to grow in their learning, regardless of how and when you last learned seriously. Every topic will be covered from the ground up and assumes no prior knowledge.
