## TBDJ WINTER FILM FESTIVAL

SATURDAY, FEBRUARY 29 AT 8:00PM: "NUMBERED" (2012 - Israel)

An estimated 400,000 numbers were tattooed in Auschwitz and its sub-camps. "Numbered" documents the dark context in which these tattoos were injected, as well as the meaning the numbers took on in the years following World War II. In fact, this documentary's main protagonists are the numbers themselves - as each evolves and becomes both a personal and collective symbol for survivors of the Shoah from 1940 up to the present day. An explosive, highly visual and emotional cinematic journey created by "Know Productions." 55 minutes.
