Make Israel a Part of Your Family!

TBDJ is looking for families who are interested in opening their homes and their hearts to a 'Shinshin' for the upcoming 2020-2021 school year.

The Shinshinim are all 18-year-olds from Israel who will graduate high school this spring and arrive in Montreal in August for one year of service, after which they will join the Israeli army. During their service year abroad, they teach local students and community members about Israel, interacting and making meaningful connections with students of all ages. In order for TBDJ to benefit from a Shinshin, we need a family within walking distance of the shul who will welcome him or her into their home. Please speak to Keren Ludvig (keren.fyman@gmail.com) if you have any questions or if you would like to offer your home!
