Temple Mount Virtual Tour
A Look Inside the Levant for
Kolness and Mitzray
 WITH JOSH HADYV

Pesach is one of the three Jewish pilgrimage festivals of the year, where in ancient times Jews from around the world would come to Jerusalem to the Beit HaMikdash. Let's honour that tradition with a tour of where the Temples once stood, the Temple Mount. Our guided tour will examine the history and architecture of what is on the Temple Mount today and what was there in the past. This will help us understand the religious significance of the Mount to Jews, Christians, and Muslims. An in-person visit to the Temple Mount for non-Muslims does not allow entry into the Al Aqsa Mosque or the famous golden Dome of the Rock - the exact spot of where the Bait HaMikdash stood. On this virtual tour we get to venture inside and explore them up close and personal. Every generation and empire that came through Jerusalem has left their mark, let's unpack the 3,000 year old puzzle to understand each and every layer.
