

Young Israel Congregation Yahrzeit Plaques

As many of you may have noticed, we have recently installed permanent automated yahrzeit memorial displays in our main sanctuary, featuring individual 6½” x 2” satin brass nameplates with memorialized names of those dearly departed individuals printed in black (see photo). These displays have memorial lights that will be turned on automatically on each individual’s yahrzeit.

The cost of purchasing permanent satin brass yahrzeit plaques will be \$1,000 each. Since each plaque is custom made, payment will be due with your application.

There is limited room on these memorial boards and they will be available on a first-come first-served basis. Depending on demand, we may have to limit the number of plaques per family. Please note, if you wish to reserve a plaque without a name for future use, they will be subject to space availability.

If you are interested, please fill out the information below, and return to our shul office. Only one name per plaque. Please fill out one form for each plaque you are ordering
