

The Young Israel Congregation

Volunteer Opportunities

The Young Israel Congregation has B”H, experienced significant growth over the last few years. We have many new members and attendees, and we look forward to offering an exciting array of programs and activities for our membership and beyond. To be able to do so, though, we are looking to expand our volunteer base, and we would love your help.

Looking to Help?

Please read further to find a list of shul sub-committees and a selection of skill sets in which you can become involved. Please consider filling out this form and sending the completed form to florence@yicbh.org before the High Holidays.

XX

Name:
