Parshas Bamidbar / Shavuot, June 8, 2019

Rabbi Moshe Gruenstein – rabbi@yicbh.org President Menno Ratzker

Wishing You A Very Happy SHAVUOT

The Parsha of Bamidbar is usually read before Shavuos. One of the reasons this is so is to underscore a key prerequisite which is necessary in the acquisition of Torah and that is shalom. There is nothing as dear to G-d as seeing his children getting along in peace and harmony. This is so important that without it the Torah never would have been given to the Jewish people. As it states in Exodus 19:2 (at Mt. Sinai, just before the giving of the Torah), “vayichan Yisroel” – the Jewish people encamped near the mountain. The Torah says vayichan, which is singular (he camped) when it should have stated vayachanu (they camped). Rashi explains that this is to teach us that the Jewish people at the giving of the Torah were one people with one heart. There was unity and that’s what made them worthy of receiving the Torah. Our Torah portion of Bamidbar describes how the camp of Israel was organized. Each person and tribe knew their place. The Kohanim, the Levites and the rest of Yisrael knew their exact positions, no squabbling or fighting, like a beautiful symphony, each playing their instrument. Everybody knew their assignment and they worked together in one harmonious unit. Everyone has their time and place; what creates dissension and chaos is when

we want someone else's place because we are not happy with what we have. The message of Bamidbar is unity – shalom – which is the necessary prerequisite for the acceptance of Torah. Let the merit of our Torah study this Shavuot coupled with the camaraderie and friendship it engenders be a merit for the Jewish people to bring us the redemption of our people and the coming of Moshiach – may he come speedily in our days.

Wishing you an inspiring Shabbos and Spiritually uplifting Shavuot.

Shabbat Shalom and Chag Sameach!

Rabbi Moshe Gruenstein

As you all know, we are now at the time of year when our shul cash flow primarily depends on having members and friends clearing balances that reflect prior pledges and commitments made. This is especially important now, given that the current fiscal year ends on July 31. As such, we ask all of you, our valued supporters, to please pay your balances at your earliest convenience. HATZALAH: (305) 919-4900

One of the most talked about results of the Governor's Israel mission was the Teach Florida visit to a Tel Aviv school to see the country's school security measures firsthand and meet with experts. Rep. Randy Fine, Sen. Lauren Book, Speaker Designate Chris Sprowls, President Designate Wilton Simpson and Mimi Jankovits saw Israel's situational awareness strategies combined with smart physical security measures and training that create safe schools in ways that can easily replicated in Florida.
