## SHABBAS SHUVA

The Dubna Maggid explains this verse in his inimitable style with a parable. A man owed money to many people and he asked his friend's advice on how he could stop his creditors from bothering him. The friend responded, whenever a person comes to collect money from you, act like you are crazy and irrational and eventually they will stop pestering you. The idea worked like a charm and his creditors stopped harassing him. Now this man also owed money to the one who had given him this advice. One day this friend comes to collect his debt and as soon as he asks him for the money, he starts acting insane. The friend sees this and responds angrily, "I gave you this advice to protect you from your creditors and now you are using it against me!" Says the Dubna Maggid, this is what the verse means: G-d granted you a

gift called “teshi,” the ability to forget; he did so in order that you should be able to function and distract your mind from your pain and troubles. But what did you do? You used that gift of forgetfulness to forget the G-d who delivered you. You made yourself oblivious to all the blessings and gifts that he has granted you and showed a lack of gratitude. As the holy day of Yom Kippur approaches, it's the ultimate time to remember the many blessings and gifts G-d gives us throughout the year. Being appreciative and thankful will inspire the floodgates of mercy in heaven to shower upon us even more blessings for the coming year.

**Wishing you Kesivah Vachasimah Tova!**

#### KOL NIDRE AND YIZKOR APPEALS

This year's Kol Nidre and Yizkor appeals take on increasing importance, given the need to cover basic expenses during the ongoing COVID pandemic (e.g., payroll, utilities, insurance, maintenance, and security). As such, we ask for your generous support.

Neither of these appeals will be conducted in shul this year, to limit time spent in shul. We therefore ask that you please contact the office at your earliest convenience – by phone or email – or make your pledge and payment online via our website. Our office will compile a list of donors and amounts for the Kol Nidre and Yizkor appeals and include in whose memory each Yizkor donation is given. This list will be sent out by email, thereby acknowledging all donations.

We thank each and every one of you – now more than ever – for your support in these challenging times. In the merit of your generosity may Hashem increase the blessings to each of you and to your entire family for the coming year.

Local officials have asked us to encourage you to be a part of the census. The census helps our town, regional and state governments. The more people who officially live in our area the more monies and services are available to us.

Please complete the census in one of 3 ways:

- 1) By calling toll-free 7 days a week **between 7am and 2am EST 1-844-330-2020**;
- 2) by logging into [www.2020census.gov](http://www.2020census.gov); or
- 3) by speaking with the Census representative when they come to your home.

It is quick and easy – taking less than 10 minutes – and all responses and personal information are protected by federal law. By completing the Census, which only happens every 10 years, our community is ensured to receive our share of federal funds and representation in Congress

We would like to emphasize that every Erev Shabbos, individuals should call the Eruv Hotline to make sure that the Eruv is operational prior to carrying on Shabbos. The number is 305-866-ERUV (3788). The Eruv message is recorded approximately two hours prior to Candle Lighting. Miami Beach Eruv web page: [www.miamibeacheruv.com](http://www.miamibeacheruv.com)
