**SHABBAT SHALOM!
PLEASE STAY SAFE AND TAKE CARE OF YOURSELVES.**

**ונתנך ה' לראש ולא לזנב והיית רק למעלה ולא תהיה למטה
כי תשמע אל מצות ה' אלוקך**

**“G-d shall place you as a head not a tail. You shall be only
above and you shall not be below...” Devarim 28:13**

This verse is not just giving the Jewish people a blessing, it is also giving a message as to how one should live life. The “head” is what directs and controls the body. The Torah is teaching us that we should live a life of higher purpose. We should be a cut above the crowd. The head, which is the repository of wisdom, should be the one in control directing the body, not the tail. One of the main impediments to spiritual growth is the desire to follow the latest fads and fashions of society. There is a “must have” mentality that pervades our world. Must one blindly follow every passing trend and current popular craze knowing full well that in a short period of time they will be obsolete and there will be another new gadget? All the “must-haves” that people toil to acquire only give temporary satisfaction until the next must-have comes on the market. Buying and accumulating is viewed as a panacea that will fill the emptiness people feel in their lives. A person who lives a life “above” – a more spiritual life whose values are eternal rather than temporal – lives on a completely different planet. He has a sense of fulfillment, satisfaction, and inner happiness. It is no

coincidence that we learn this concept in the last weeks of Elul as we approach Rosh Hashanah. It is a time of year when we strive to make improvements in our spiritual lives. May the realization that a Jew's task is to live a life "above," a life of purpose and meaning, make us worthy to be blessed with good health and many simchas for the coming new year.

(Sefer – Emrei Kohen)

Wishing you an inspiring Shabbos and a Kesivah Vachasimah Tovah!

With much blessing and love,

Rabbi Moshe Gruenstein

STATEMENTS HAVE BEEN SENT OUT – INCLUDES MEMBERSHIP FOR NEW FISCAL YEAR

The ongoing pandemic continues to be challenging for all of us, including the financial situation of our Young Israel. Over the past few months, our income has been greatly reduced from sources that we depend on (such as aliyah donations and social events). At the same time, we must continue paying our bills across the board (payroll, utilities, insurance, security, and maintenance).

Given that our overall accounts receivable is over \$300K, we ask that you review your statement carefully and do your very best to clear your balance to the greatest extent possible. Please feel free to call Yakira on her cell phone, 786-488-2215, to clear your balance immediately over the phone.

Our Young Israel appreciates the loyalty of its generous supporters – now more than ever – and may Hashem grant us the strength and ability to safely emerge from this pandemic and look forward to a healthy and happy new year.
