Sisterhood recognizes lives of Jewish women are changing and is continually looking for ways to engage women at all stages of their lives. We create programs to enrich us in many ways. What types of activities or programming would you like Sisterhood to include in the future? \_\_\_\_\_

Is there a particular speaker or theme you recommend for a Rosh Chodesh program? Would you be available and interested in participating as a guest speaker? \_\_\_\_\_

Would you be interested in serving on the Sisterhood board or on a committee or learning more about opportunities? \_\_\_\_\_
