## MEALuim

Since October 7, the global outpouring of support from Jews for Israel has been a significant source of strength for soldiers and their families. The success of our army on the battlefield relies heavily on the stability and determination of the homefront. A new initiative called "MEALuim" plays a crucial role in maintaining high morale. MEALuim makes it easy for communities and individuals to send weeknight meals to families with a parent serving in the IDF. By lightening the parents' weekly meal preparation load, this initiative brings smiles to the faces of longing children and serves as a reminder to Israeli families that they have friends, even from afar, who are willing to share the burden. You can become a supportive neighbor across the ocean simply by choosing the family size and the number of weeks you want to send a delicious meal. MEALuim will take care of the rest! Register under the group Congregation Keter Torah <https://tzohar-eng.org/mealuim/>.

## Kaddish L'kol Kadosh

Since the outbreak of the war, each and every one of us has lost 1,350 brothers and sisters. So many names, so many neshamas, so many stories. The Kaddish L'kol Kadosh project of the "Chessed Chaim and Emmet" organization in collaboration with "Unity in Action" is committed to making sure to they are remembered. Every day during the coming year, Kaddish will be said for each of the fallen, every day, without a break. Learn more at <https://holy.hhe.org.il/en/kaddish-lkol-kadosh/>.
