

Anshei Chesed Congregation - Boynton Beach, FL
SCHEDULE FOR Sunday, April 21, 2024 – EREV EREV PESACH

Shacharis: 6:26a.m., 8:00 a.m., 9:00 a.m.

Minchah / Maariv: 7:35 p.m.

Search for chametz: after 8:24 p.m.

The following is mostly excerpted from the Ezras Torah Luach

After the appearance of three stars, (the time that the Mishnah in P'sachim refers to as the "Light of the Fourteenth"), we search for chametz in all places to which we may bring it during the year. According to custom, we have someone who is not participating in the search place ten pieces of chametz in random locations in rooms to which we bring chametz during the year (failure to do so does not invalidate the search; however one must be very careful to find all ten pieces). [Rabbi Billet recommends using kitniyot items just in case you don't find all pieces.]

Before beginning the search, we recite the B'rachah "Asher Kidishanu BeMitzvotav VeTzivanu Al Biur Chametz" - on the removal of chametz (for the search is the beginning of the process of removal).

[One should avoid conversations that do not pertain to the search while doing *bedikat chametz*.]

After the search, one says the declaration "kol chamira" (preferably in a language that he understands - see p. 654-5 Artscroll siddur for translation) nullifying all chametz and sourdough of which he is unaware.

One should take care to place the chametz, which may be eaten in the morning until the end of the fourth hour (11:09 a.m.) and the crumbs from the search in a secured place. Whatever is left over from breakfast, along with the crumbs from the search, must be destroyed or removed by the end of the fifth hour (12:14 p.m.). The chametz that one authorized his/her Rav to sell must be placed in a reserved area. The sale to the non-Jew is also considered part of the removal (bi'ur) process.

At the time of the burning, one should make the following declaration:

All leaven or anything leavened which is in my possession, whether I have seen it or not, whether I have observed it or not, whether I have removed it or not, shall be considered nullified and ownerless as the dust of the earth.

לפני הבדיקה יברך ברכה זו:

בְּרוּךְ אַתָּה יְיָ, אֱלֹהֵינוּ מֶלֶךְ הָעוֹלָם, אֲשֶׁר
קִדְּשָׁנוּ בְּמִצְוֹתָיו, וְצִוָּנוּ עַל בְּעוּר חָמֶץ:

חֲמַתָּה וְדִלָּא בְּעֵרְתָהּ, לְבָטִיל וְלֹהֵי כְּעַפְרָא
דְּאַרְעָא:

next day after burning:

אחר שרפת החמץ יאמר את זה:
