

CHESED *CENTRAL*

A PROJECT OF SISTERHOOD

Chesed is central to Jewish ethics and is commonly used to describe Hashem's love for his people. Chesed translates to loving kindness. This committee is designed to find individuals willing and able to demonstrate this "loving kindness."

Please consider being part of *Chesed Central*. All women and men are encouraged to join.

I would like to volunteer.

Name: _____

Phone: _____

email: _____

Please indicate in which categories you can assist.

- 1) Visitation and Companionship
- 2) Shopping and Errands
- 3) Transportation to Shul Functions and Local Medical Appointments

Thank you.
