How do seats work this year? How will I know where to sit?

- **With regard to seats, everyone will be assigned to their selected minyan. Within the minyanim, seats will be divided as 1's, 2's, and 3's-** meaning an individual, groups of 2, and groups of 3. Based on your reservation, you will be assigned to a group. For example, if you reserved 1 men's seat and 2 women's seats, you would be in group 1 for men and group 2 for women. The groups will be assigned to a certain section of the location you are davening at (GRS inside, GRS Annex, or Hilltop) and color-coded. There will be alphabetized lists at each location and you will find your name and see which group you are assigned to, the same way you would look at an alphabetized list to find the specific seat you were assigned in the past. ***(continued on the next page)***

- **What do I do if I have more than three people in my group?** If for example, you are in a group of four, you will be assigned to the 2 section. Please do not move your set of chairs closer to each other as you will throw off the social distancing for those around you. Simply divide your group into sets that are next to each other. For example, if you are a set of 5, you will be divided into the 2 section and the 3 section, allowing all of your group to have someone to sit with. It will be up to you to determine who from your group will sit in each section.
- **What if not everyone in my group shows up? Where do I sit?** Do not move yourself to a section based on the number of attendees you have on that day; remain in your assigned section.
- **Your minyan location (GRS inside, GRS Annex, Hilltop) will be your minyan location for Shacharit, Mincha, and Maariv.** In order to have accurate records for contact tracing, as well as ensuring correct spacing and enough seating at all of our locations it is imperative that you stay with your minyan. If you attempt to attend a minyan that you are not registered for, you will be turned away by the Health Gabbaim.
