SYNAGOGUE ANNOUNCEMENTS

Dear Members,

We strive to create an engaging and safe place for our congregants and their families. It is important that everyone can move safely throughout the building and exits. Please be aware that strollers create a serious safety hazard when they are brought inside the Synagogue building or parked under the overhang. No strollers may be brought into the vestibule (the area between the glass doors of the main entrance), lobby, hallways, coatroom, sanctuary, etc. Strollers may be parked on the grassy area adjacent to the front entrance stairs. In inclement weather, and when available, Perl Hall may be designated for stroller parking. If strollers are left in the building or blocking exits, they will be moved to the designated area.

Thank you for your attention to this important safety issue.
