Thank you to Yoey and Rena Feigenbaum and Adina and David Warshawsky for designing and producing the beautiful mezuzot cases as a donation to the shul, which can be found hanging throughout the new building.

**Yo-Zuzzah** is a unique 3D printed, wall mountable mezuzah. The face slides up and down to allow for smooth access and has a place on the back to write the last time the mezuzah was checked. There are a variety of different colors and styles from which to choose.
