## BUILDING ACCESS

Please be aware that no one should be accessing the building prior to programming or lingering after programs have ended. We have put our code system in place for the safety of our community, but the codes are only half of the equation. We rely on you, our membership, to work with us. Without this team effort, the integrity of the system is compromised, and the safety of our congregation is at stake. Thank you for helping us to maintain the safety of our community.
