BUILDING ACCESS

Please be aware that no one should be accessing the building prior to programming or lingering after programs have ended. We have put our code system in place for the safety of our community, but the codes are only half of the equation. We rely on you, our membership, to work with us. Without this team effort, the integrity of the system is compromised, and the safety of our congregation is at stake. Thank you for helping us to maintain the safety of our community.

The emergency exits have been alarmed throughout the building. A siren will sound and the police department will be notified if an emergency door has been opened.

Please feel free to reach out to Sarah for the codes or with any questions regarding this new system. Her number is (216) 381-4757 or email you may email her at sarah@greenroadsynagogue.org
