**The Tamas & Veronika Hartman Children's Learning Concourse** will host our community's youth as they congregate to learn the lessons of the Holocaust and to discover how to participate in acts of "tikkun olam" – repairing the world, making the world a better place for all.

**The Joseph and Sylvia Lichtman Twinning Program** provides the opportunity for a Bar/Bat Mitzvah celebrant to twin with a child who perished, learning about the child's background and about the Holocaust. This can be a very meaningful experience in preparation for this rite of passage. Twinning can also be considered at the time of "brit milah" or baby naming.

**The Computerized Reference Library** is an important vehicle to impart the educational aspect of the Samuel Edelstein Children's Garden. The name of each child represents a life lost but not forgotten. The personal story of each child with a photo (as available) will be uploaded to a special computer program. A visitor will be able to click on the child's paving stone and the corresponding biographical information will appear. Related website links and data bases will also be available for educational and informational purposes

**The Chuppah Plinth**, a focal point of the Garden, will host Jewish weddings. Surrounded by a Wall of Life and the **Malka Kwasny and Rivka Kwasny Hosta Gardens**, the landscape is a symbol of growth, renewal, healing and continuity of the Jewish people.

\*We are deeply grateful to the family of Samuel Edelstein ז"ל for their generosity and support in enabling this beautiful garden to be established.

Please find us a child to honour. Yes ☐ No ☐

All donors will be recognized for their generosity on a specially designed **Donor Wall of Honour**. The Donor Wall will reflect appreciation for the kind support in preserving the memory of those who perished in the Holocaust. The Synagogue and the broader community look forward to a future committed to the continuity of the Jewish people and the Jewish spirit.

## THE SAMUEL EDELSTEIN Children's Garden

AT BETH EMETH BAIS YEHUDA SYNAGOGUE

Paving stones can be purchased for \$180.00 each, engraved with the name of the child and their birthplace.

The ***Mission of the Samuel Edelstein Children's Garden*** is to honour and celebrate the memory of the children who perished in the Holocaust with the establishment of a landmark testimonial to them and to the indomitable spirit represented by each child. This mission has now come to life through a distinctive and beautiful landscape at the Elder Street entrance to our Shul.

The ***Paving Stones*** inscribed with the names and hometowns of the children who perished are interwoven through all the elements of the Garden. Thus, the legacy of each child will live on forever in the hearts of their surviving families, friends and communities.

The open concourses, promenades, the ***Berel Feldberg Arboretum***, the ***Tula Fleisher Gan Haprachim-Flower Garden***, and the ***Anne Frank Tulips*** welcome all guests, extending hospitality to the community in a spirit of tolerance and mutual understanding.
