Dear Young Israel of Woodmere member,

A few years ago the Young Israel of Woodmere reserved a section at the Eretz HaChaim Cemetery near Beit Shemesh, Israel, and many of our members and their families have already reserved plots in the exclusive Young Israel of Woodmere Section, for after 120 years.

For over fifty years, Eretz HaChaim has specialized in providing personal services to the bereaved in their time of need, and has become well known for its efforts in assisting communities from around the world to secure a final resting place in Eretz Yisroel.

It is never easy to think about one's final resting place, however, we felt it is important to make you aware of this opportunity that is available to our members.

**The plots can be purchased by our members at the standard price of \$10,500 per plot, plus the \$1,500 onetime cemetery maintenance fee, for a total of \$12,000. Furthermore, the cost of funeral and burial services is \$2,500 which can be prepaid now.**

Should you decide to proceed and purchase plots at this time, enclosed please find the Eretz HaChaim registration form. Please complete it and email the form back to [info@eretzachaim.org](mailto:info@eretzachaim.org) along with a deposit of at least \$1000 per plot. All major credit cards are accepted, and convenient payment plans for up to 24 months are available and are to be negotiated with Eretz HaChaim directly (see enclosed Payment Form).

Once a plot is paid in full, original certificates for each individual plot will be issued by Eretz Hachaim and mailed to you. Please note that funeral and burial services are not included in the price per plot, and if not prepaid now, any agreements and future arrangements will ultimately be made directly with the Eretz Hachaim Chevra Kadisha. Nevertheless, if you have any questions or concerns in the interim please do not hesitate to contact me at [jweichholz@gmail.com](mailto:jweichholz@gmail.com) or 516-569-3462. Please see the YIW website under Chevra Kadisha for additional information, pictures and a price list of additional services.
