FIRE SAFETY DRILL NEXT SHABBAT, JUNE 15

We have instituted regular Fire Drills in the interest of safety, and will be having one next week, Shabbat June 15th. Please stay with us until the end of services, and participate in this Fire Drill, so that we can be fully prepared in case of a true emergency. This preparation can make a life saving difference.

When our fire alarms activate, you need to quickly and quietly leave the building and proceed to the Ramaz Middle School across the street. Our volunteer Fire Marshals wearing blaze orange vests will direct the evacuation; please listen to their instructions, and leave the building ASAP using the nearest available exit. As we would do in a true emergency, we leave behind coats, strollers, tallitot, etc., and do not look to locate friends or family. Please know that our Youth Department staff have been well trained on this, and will bring the children to the Ramaz Middle School. Please consult the laminated "What Do I Do in an Emergency" card to identify the exits nearest your seat.
