KJ Israel Activism - Please Share Your Photos & Video Footage

We've been working on a documentary about KJ's history, from its inception in the 19th century until today. One of the major themes in the film is KJ's activism. We would like to include a scene that highlights the Israel-related activism KJ has been doing since October 7th. If you have footage or pictures taken on any of the KJ trips to Israel, or any other activism, we would love it if you sent them to the film's director, David Jakubovic, at davidjaku@gmail.com, or 310-927-3596.
