Mincha/Maariv 6:45 PM

Program 7:30 PM

Ramaz Upper School – 60 East 78th Street, Manhattan

This performance includes students from The Abraham Joshua Heschel School

This unique live performance is the culmination of months of heartfelt collaboration between our high school students and Selfhelp's local Holocaust survivors. It is a moving reenactment of difficult and poignant moments as portrayed by student actors and narrated by the survivors themselves.

Witness Theater enables these survivors to tenderly pass their memories and legacies from one generation to another.

*Become a part of the experience.
We look forward to welcoming you.*

Please consider sponsoring this program.

Witness Theater was conceived by Irit and Ezra Dagan and developed by JDC-Eshel in Israel. It was brought to New York in 2012 by Selfhelp Community Services, Inc. This year's Witness Theater Program is a collaboration of Selfhelp, UJA-Federation of New York, Yeshivah of Flatbush Joel Braverman High School, SAR High School and Ramaz Upper School and has received generous support from the Sephardic Home for the Aged Foundation.
