

## Bar Mitzvah Promise

As I stand before the Torah,  
ready to accept the privilege of my place as a  
responsible member of the Jewish people,  
I promise to act with the maturity of a Jew  
who has reached the age of Bar Mitzvah.

I promise to be aware of my new Jewish  
responsibilities and opportunities  
now and as I continue to grow.

I affirm the importance of continuing  
my Jewish education and participating in activities  
and celebrations to enhance and  
strengthen my Jewish identity.

As I become a Bar Mitzvah,  
I look forward to honoring the commitment I make  
today to my family, the Jewish people,  
my society, and all of humanity.
