

Bat Mitzvah Promise

As I stand before the Torah,
ready to accept the privilege of my place as a
responsible member of the Jewish people,
I promise to act with the maturity of a Jew
who has reached the age of Bat Mitzvah.

I promise to be aware of my new Jewish
responsibilities and opportunities
now and as I continue to grow.

I affirm the importance of continuing
my Jewish education and participating in activities
and celebrations to enhance and
strengthen my Jewish identity.

As I become a Bat Mitzvah,
I look forward to honoring the commitment I make
today to my family, the Jewish people,
my society, and all of humanity.
