Shalom friends,

As we conclude the Purim season, *change is in the air*. The Megillah tells the story of our People's change of fortune - from worry to joy, from dark to light, from annihilation to liberation.

The honorees at our Annual Dinner on March 14 are all *agents of change* in their own way - and I encourage you to celebrate with us as we celebrate them.

- As the Chazan of OZ, **Rabbi Avrohom Farber z'l** changed our hearts and stirred our souls for over 25 years.
- Gan & Bnos Aliya** are changing the future - educating our children with innovation and inspiration.
- Faith Sheiber Elkobi** is changing our shul, with her dedication to our Youth Department, commitment to our community, and service as an Officer of the Board.
- Glenn Richter** changed the world - famously fighting on behalf of Soviet Jewry, and more recently for our brothers and sisters in Israel and at home.

Your participation at the Ohab Zedek Annual Dinner will *make a difference* at OZ in the year ahead. Meaningful minyanim, popular programming, sensational Shabbat experiences, and tremendous Torah learning are all made possible by your continued support.

Visit [www.OZNY.org/AnnualDinner](http://www.OZNY.org/AnnualDinner) to place your ads, reserve your spot, and become an agent of change at OZ.

Great things are happening here - but they can't happen without you!
