## RABBI SHMUEL BRAUN

**Rabbi Shmuel Braun** is a teacher, mentor and lecturer, especially known for his ability to take the loftiest concepts in Jewish mysticism and connect them to everyday life in a way that students from any background and level of knowledge can appreciate. Having grown up Modern Orthodox in Woodmere, L.I., Rabbi Braun then spent many years studying at the Ner Israel Rabbinical College in Baltimore, in the Brisk Yeshiva in Jerusalem by Reb Meir Soloveitchik, and also in institutions affiliated with Yeshiva University, Munkatch, and Chabad. These Jewish learning opportunities together with his devotion and passion for the humanities facilitated his developing a unique, progressive and inclusive style that engages all people with diverse backgrounds and beliefs. Rabbi Braun has been teaching over twenty years in various synagogues, yeshivas, seminaries, and other venues and has traveled the globe lecturing on topics of Jewish Philosophy, Law, and Mysticism for thousands of people. His classes can be heard on YUTorah.org and SoundCloud.
