

City Shul
A Jewish heart
in the heart of Toronto

The Modim song we sing at City Shul, by David Lefkowitz:

Modim anachnu lach, modim anachnu lach
Modim anachnu lach, modim anachnu lach

For all the moments that we're here together
For all the time we're together apart

Modim anachnu lach....

For all the prayers that I can't find the words to
For all the prayers that I say in my heart

For all the beauty that we see around us
For all the love that we've learned how to feel

Modim anachnu lach....

For making us holy, for making us humble
For giving us strength, for making us pure

Modim anachnu lach....

Me'olam kiveenu lach, me'olam kiveenu lach
Me'olam kiveenu lach, me'olam kiveenu lach
