Message from the Shomrei Israel Committee

Dear Members,

For the past 14 years, we have held a fundraising campaign at Shabbat Chazon time to support La’Ofek (formerly JobKatif). Through your efforts, we have successfully raised hundreds of thousands of dollars to benefit this incredible organization. La’Ofek helps support individuals and population sectors who live on the fringes of Israeli society including Ethiopian-Israeli young adults, at-risk teens, young adults suffering from substance abuse, impoverished soldiers, and needy discharged lone soldiers.

After speaking with La’Ofek leadership, due to the Covid-19 pandemic, we have made the decision to postpone this year’s campaign to the Chanukah timeframe. We hope and pray that by that time, the pandemic will be behind us, and that we can run a successful campaign to help such an important organization.

Although many Poskim do not worry about “tartei desasri” on Erev Shabbos, at Shomrei, in arranging our zemanim we try to avoid tartei desasrei by using different calculations of plag hamincha (See Shaarei Zemanim siman 12) and the standard shkia. To avoid tartei desasri, Mincha should be finished before this time, and barchu after this time. The calculations for this week are 6:55, 7:26, 7:53 and shkia is 8:25.

Davening protocols for Davening Alone

- Do say VaYechulu
- Omit Magen Avos after Maariv Shemoneh Esrei (Even at Outdoor Minyanim)

**SHABBOS MORNING**

Davening protocols for Davening Alone

- Omit Anim Zemiros
- Omit Seder Hotza’as v’Hachnosas Sefer Torah
- Omit the two paragraphs of Yekum Purkan

Krias HaTorah

- When davening alone: It is appropriate to read the Krias HaTorah and Haftarah from a Chumash, with the trop if possible. No berachos should be recited on the Krias HaTorah or the Haftarah without both a minyan and Sefer Torah.
- An outdoor minyan with a Sefer Torah should have Baal Korei take all 7 aliyos (with the Baal Korei making brachos before and after each alia) or give aliyos to immediate family members of the Baal Korei (even fathers and sons one after another). Only seven aliyos should be done; no extra maftir aliyah. The Haftara is read immediately after Shvii, without a Chatzi Kaddish in between. Chatzi Kaddish is said after the final brachos on haftara.
- At an outdoor minyan without a Sefer Torah, everyone should read the Krias HaTorah and Haftarah from a Chumash, with trop if possible, either at the Minyan, or privately at home.
