NEW Important Notice from Rabbi Marwick, COVID-19 (Coronavirus) Precautions

In light of the coronavirus, COVID-19, outbreak, and a documented case in Baltimore County, the following are halachic and general guidelines for our shul, based on discussions with experts in the field.

Effective immediately:

• Do NOT come to shul if you or someone you have been in close contact with has any signs of illness or sickness. This includes fever, coughing, sneezing, stomach bug, or any other cold or illness symptoms. This applies to attending regular minyanim and shiurim, and to those who are reciting Kaddish for a Yahrzeit or as an Avel. If one is reciting Kaddish and cannot come to shul due to these guidelines, please reach out to me and I will find someone to say Kaddish on your behalf.

• Do NOT come to shul if you have a chronic health condition, if you are 60 years of age or older, or immunocompromised. When in doubt, please stay home.

• Do NOT shake hands in shul.

• Please bring your own Siddur and Chumash.

• When possible, please leave a seat unoccupied between you and the person next to you. We will be having 3 parallel minyanim (BM, MS, SH) tonight at 6:55 to allow people to spread out.

• Please be vigilant about washing hands properly and frequently. Shomrei provides soap in all of the bathrooms, and there are Purell dispensers throughout the building.

• Please practice good personal hygiene. This includes covering coughs and sneezes (preferably with a tissue which is then promptly discarded). It is a good idea to avoid touching your eyes, nose, and mouth with unwashed hands and to disinfect objects and surfaces that are frequently handled.

We ask that, for the safety of the public, everyone respect and adhere to these guidelines.

By following these guidelines, we hope and pray that we will be effective in minimizing the spread of this virus and keeping our community healthy and safe.

Pesach Reading Material:
Please email office@shomreiemunah.org to purchase a copy of Rabbi David Fohrman’s book, The Exodus You Almost Passed Over, for $25.

A great way to support the shul!
Letter to the Community:

With many organizations and institutions taking the necessary steps to limit the spread of Covid19, it is imperative that all members of the community continue to practice all social distancing that is non-essential. With school closures and many shuls significantly limiting social gatherings, all (adults and children) should be reminded that joint meals, neighborly visits, playdates, trips to the mall, cafe meetings, organized games, etc. and all unnecessary indoor or outdoor congregating is strongly discouraged under any circumstance. The potential spread of this virus is real and limiting interactions is the only way to potentially mitigate the immediate risks. May Hashem continue to shepherd us through this difficult time.
