LOST TALIS

On Yom Kippur morning there was a Talis on the brown table outside the main Bais Medrash that was taken by someone. It seems like the person who took this Talis left there Talis in one of the cubbies outside the men’s room (on the Bais Medrash side of the shul), which was still there after the Netz minyan davening ended. Please contact 410-979-0400 if you have this Talis. Thank you greatly!
