RABBI'S DESK

As a parent, we are not supposed to have a "favourite child". Likewise, when it comes to Torah, which is all from the Word of HaShem, how can one possibly say that they have a "favourite Parsha"? Well I do.

Parshas Beha'aloscha has long been my favourite; and in one of the pivotal moments, when the complaining of the Jews became too much, Moshe cries out to HaShem to "kill me now". Rather than take his life, HaShem endows 72 leading sages with a prophetic ability similar to, albeit on a lower level than, Moshe.

Yehoshua, Moshe's second-in-command, was zealous that no one should ever besmirch his rebbe's honour and wanted to lock up two of the elders who continued to prophecy once the others had stopped. Rather than fearing for his

position and honour, rather than be concerned that he might have to contend with "the competition", Moshe exclaimed: "If only HaShem would make the whole nation prophets. If only He would put His Spirit into them [all]!"

Rather than standing above everyone, Moshe wanted everyone else to be pulled up to his level as well! That is that hallmark of a great leader – being one who sincerely wants others to be just as great as they are.

This is the greatness of our own Rabbi & Rebbetzin Elie & Rifky Karfunkel. As we wish them Mazel Tov on the HUGE simcha of the Aufruf and upcoming wedding, we also THANK them for investing of themselves into us to help us all reach ever higher heights and awareness of HaShem!

Mazel Tov & have an amazing Shabbos,
Rabbi Mordechai

Ve'ahavta...A Jewish humanitarian response to poverty and homelessness

This program was well received and we apologize to all the eager families who we had to turn down due to a wonderful response as we filled the necessary quantities requested by Ve'ahavta.

Special thank you to Karen Levin, one of our STYL Leadership Program graduates, who picked up all the sandwiches from the participating Familie's homes.

Thank you again for participating in this much needed Family Chesed Project. We look forward to many more upcoming family "Tikun Olam" projects...trying to make this world better with acts of mitzvot and kindness.
