## RABBI'S DESK

How can the Yom Kippur of 5783 impact the judgement of 5782?

Interestingly, all 10 days of repentance take place not during the last 10 days of 5782, but the first 10 days of 5783! Yet year after year, we see Yom Kippur as the day where we can seek Atonement. Our Rabbis explain that this is the power of Teshuva. What makes it so very different than the other 612 Mitzvos is that with true teshuva you have the power to go back in time and erase any stain that you might've put on your soul during 5782. In fact, if you return to God out of love, then all of the sins that were on your ledger of 5782 turn to Mitzvos for 5783!

I want to give everyone a blessing to use the next few days, not only to focus on improving all areas of your Jewish life, but specifically to return to God. And in doing so, all of our sins will turn into Mitzvos and you will be a **transformed** Jew.

Good Shabbos  
Rabbi Elie
