RABBI'S DESK

The last 2 weeks have been very special for me.

As some of you know I donated a kidney and have been getting stronger day by day. I am a bit frustrated that I'm not at my peak energy yet, but things take time. In the meanwhile, I have really been blown away by the prayers, love and support shown by all of you.

The Shabbos after my surgery, my son Moshe was in Tzfat with his family. During his Shabbos walk, he passed by a man that he thought looked like an ex-Torontonian, so he wished him a good Shabbos. The man said he was from Toronto whereby Moshe introduced himself. The man was floored; he said that not more than 5 minutes earlier he was praying for my recovery! I know this man well; he left Toronto over 10 years ago, and while not a member of the shul, somehow knew that I donated a kidney and actually prayed for my recovery. I can't even imagine his shock when my own son greeted him on the other side of the world 5 minutes after his tefilla!

HaShem is amazing!
Rabbi Elie

Please note, the Rabbi's classes are on recess. Stay tuned for the new schedule!
