### RABBI'S DESK

I am still glowing from the Torah Parade last Friday! The Simcha was absolutely palatable. An additional treat was watching Joey, Ben, Jeremy and Ethan Schneeweiss all read from their Torah that Shabbos morning. For me, *that* was the highlight, because it showed me what the Torah means to them.

Additional highlights included the sushi and chocolate pretzels, having neighbors come out from their houses to take pictures, my Holy Father-in-law playing trumpet, Gad Sabbah driving the pick-up truck (hey Gad, I may have a side-job for you!), seeing some of our future leaders holding the Torah (shout out to Esa Siller and Ben Vidal), and partying with such awesome music, singing and dancing!

May we always find reasons to celebrate together !!
