### FROMTHEDESKOFTHERABBI

There are many times of the week that I really look forward to. For example, I love my Thursday morning Parsha class and Sunday night dinner at my in-laws. You would probably all guess correctly that I love giving the drasha on shabbos morning; it's my chance to share and connect with all of you. This past week, I was invited to share my thoughts on my sermon style on a podcast called *The Maggid Method*.

A huge shout out to Rabbi Daniel Steinberg for doing a great interview. And a big thank you to Miriam Peltz Gisser (Ora Somogyi's sister) for recommending me to Rabbi Steinberg. If nothing else, it allowed me to reflect more on my most precious 15 minutes of the week, and how blessed I am to have the most understanding congregation.
