Dear Ladies of our Community

Do you ever find yourself harmonizing to the Maccabeats, and wish that you could express yourself in a similarly glorious way? Well, you are in luck! The Forest Hill Jewish Centre is reaching out to the community with the goal of starting a women's choir. The choir will be an opportunity to have fun singing in a recreational setting (not for formal services). The choir will meet once per week in the evening at the Centre. In order to get this initiative off the ground, Please let us know in the next 3 weeks by sending an email to Alexandra at fhjcchoir@gmail.com if you are interested in:

- 1) singing in the choir, or
- 2) having a supporting role in the choir (choirmaster, accompanist, access to keyboard) or know someone who may be interested

Mens Israel Trip with Rabbi Elie

This past Wed, Rifky and I were driving to NY to participate in my grandmothers memorial Shloshim meal. Somewhere between Syracuse and Marathon NY a car pulled up parallel to us with mad people and arms flailing. Before I called 911 and said Shema I noticed that these people were none other than Shifra and Elisha Greenberg. How cute it was to be six hours away from 362 Spadina Road and be driving side by side with my neighbours from 354 Spadina Road.

Moshe the leader of the Jewish people had many names. His adopted mother named him Moshe but our tradition has it that Moshe's father Amram named him Chaver. Chaver means friend. I guess Amram knew that one of the qualities needed in a leader is the quality of being a good friend. Just the appearance of a friend puts a smile on your face. May we all strive to be that type of friend, and yes in case you are wondering after several truck arm motions from Shifra, I did honk my horn.

Good Shabbos, Stay Jewish, Live Jewish

Please note that I will be away the week of January 13
