### FROM THE RABBI'S DESK

#### The Next 2 Cool Weeks

I have some news and one cool story to share with you.

I am so excited to highlight the next 2 cool weeks ahead of us. Next Shabbos, we will be having our 2nd Annual Maritime Shabbos Reunion. Last year we celebrated the amazing re-dedication of the last Torah from Glace Bay to our Centre. To make this Shabbos even more amazing, we will be hosting a guest speaker during the sermon and after our Mega Kiddush Luncheon. Please make plans to have your lunch at the Centre and join us for the second lecture after the luncheon.

The following week we have Dr. Eli Shapiro joining us. Dr. Shapiro is an expert in the interactions and relationships being developed between people and their cell-phone technology. Please check out the flyer and once again enjoy the luncheon in addition to all the classes.

And now the crazy story... Shmuel Wachtel of Florida (Dina Aben's brother) joined us on the Poland Trip. This week, he closed a deal with a Polish gentile who is not only from Jaslo, Poland, but whose parents own the property next to the site of the original shul. Wow! :)
