FROM THE DESK OF THE RABBI

If we are going to take to task all the non-Jewish neighbours who allowed the Holocaust to happen, then likewise we need to publically praise and thank those few righteous among the nations who risked their lives to save us.

It is in this vein that we acknowledge the passing of Sister Cecylia Roszak, a Polish nun who was believed to be the oldest nun in the world, and was recognized as a rescuer of Jews during the Holocaust. She was laid to rest on Thursday after dying last week at the age of 110.

In 1984, Yad Vashem presented Sister Roszak with the Righteous Among the Nations award in recognition of her actions during the war. May her memory be a blessing for all the Jewish people who survived because of her actions. We hope that the Polish Government will be inspired by Sister Roszak, her actions and her convictions, and commit themselves to the appropriate, honest narrative of their role in the Holocaust.

RCA Condemns Discriminatory Airbnb Policy in Judea and Samaria

The Rabbinical Council of America, the leading organization of orthodox rabbis in North America, protests Airbnb's recent announcement to "remove listings in Israeli settlements in the occupied West Bank that are at the core of the dispute between Israelis and Palestinians."

While Airbnb considers itself "a global platform operating in 191 countries and regions and more than 81,000 cities," to discriminate only against Jewish communities in Judea and Samaria is unconscionable. This action emboldens the BDS (Boycott, Divestiture and Sanction) anti-Israel movement, and is an anti-Israel and anti-Semitic double standard.

Rabbi Elazar Muskin, president of RCA noted, "We condemn Airbnb for this boycott of Judea and Samaria, call on people to contact Airbnb and express their outrage, and strongly recommend cancellation of any reservations until Airbnb changes policy." - The RCA calls on Airbnb to immediately change this policy.
